### > SURESHOT PINLOC 6000IPSM

THE Sureshot PINLOC 6000iPSM laser rangefinder features Slope, Pulse & Intelligent technology, a powerful magnetic case and faster optics with enhanced battery life. A powerful magnet inside the casing now allows the laser to be attached to a cart or buggy frame for quick access. The Pulse feature, once locked onto your desired target will vibrate the laser, ensuring you've locked onto and measured the right distance. While the Slope feature compensates and adjusts the measured distance based on the angle of incline or decline in the terrain giving you the most accurate yardage possible. Can be toggled on/off for competition use.

\$429.95
