Teven Valley Golf Course

TEVEN VALLEY GOLF COURSE

THE words "hidden gem" is oftentimes overused when describing a golf course, but in the case of Teven Valley Golf Course it's apt.

The Craig Parry-designed nine-hole course has been described as a boutique layout. Nestled in the green rolling hills of the Ballina hinterland, Teven Valley is eye-catching – so much so that people driving past the golf course stop roadside to take photographs.

It's picture-perfect courtesy of wall-to-wall zoysia grass – save for the greens which are tiff dwarf. The fairways are immaculate and the golf ball sits up nicely as if to say "hit me".

The emphasis at Teven is to provide a nice test of golf where good shot-making and finesse will triumph over power. From the black tee blocks, the course has four par-4s, five par-3s and measures 1705m.

Players who have a good short game will score well on a golf course that includes a lengthy 180-metre par-3 opening hole. Alternatively, golfers can choose to play

from the white tee blocks (1217m) where every hole is a par-3.

Teven Valley is set in a peaceful and breathtaking valley among remnant rainforests and meandering creeks. The only interruption is the birdlife and occasional splash of a platypus.

It's an easy-walking golf course save for the 151m ninth hole which is a steep climb with the comfortable clubhouse as a backdrop.

Teven Valley is a walking only course and costs \$60 to play. Golfers can hire a pull buggy (\$3) and they have hire sets of clubs (\$25).

Okay, the course is not long, but it succeeds very well and is a pleasant nine holes in a stunning, beautiful setting.

It's perfect for golfers with limited time on their hands and one you should tick off your bucket list.

The incredible par-4 second hole at Bonville.

BONVILLE GOLF RESORT

FOR more than three decades, Bonville Golf Resort has grown its status as Australia's most beautiful golf course.

The course's incredible tree-lined fairways give frame to 18 individually moulded holes which immediately sweep you up and carry you away.

Every day, the focus on improving the playability and aesthetic of the course is front and centre and right in line with the importance of delivering an incredible guest experience.

So if you have not yet discovered this northern NSW gem, here are five reasons to put it on your list for 2023.

A REFINED EXPERIENCE: There has never been a better time to tame Bonville.

The experience is one that is hard to match and as you make your way down the first fairway in your luxury Club Car golf cart. It becomes obvious that it's going to be a great day out. Players enjoy comfy seating, Visage GPS, USB chargers and ball-washers on carts with a ranger service offering a selection of beverages, fresh handmade sandwiches, a little hot food, and a genuine smile.

Comfortable beds await the weary golfer returning from a three-course a la carte dining experience in the Flooded Gums restaurant. Featuring an extensive wine list to suit even the most developed palette, the team at the Flooded Gums are committed to excellence.

THERE'S A GOOD CHANCE YOU WILL RUN INTO ... NOT MANY OTHER PEOPLE: Acutely aware of the high demand for its product, Bonville has always been conscious of its dedication to its main attraction and that means limiting play to maintain the high standard of the golf course.

Each of the 18 holes may be private and secluded from the next but now with limited

social play on just Mondays and Tuesdays, the golf course is reserved for visiting golf groups and members only.

COUNTRY COASTAL CHARM: There's a certain change of pace in regional NSW.

It's natural to slow down a little at Bonville and the team of staff on hand make it easy to relax and unwind. It's the country coastal charm that keeps people returning time and time again.

Make sure you book a lesson with Bonville's head teaching professional Daniel Dosen (affectionately known as the golf whisperer). With a unique ability to identify small changes that will correct or perfect your swing, you can even arrange an on-course playing lesson. For lesson packages and rates go to: www.bonvillegolf.com.au/accommodation/rates/

BONVILLE IS LIKE A HOME AWAY FROM HOME: With its homely and charming clubhouse and a team of staff who have been a part of the property for a long time, Bonville feels like a home away from home.

Quite literally there are groups who have returned to Bonville for more than 25 years in a row, a testament to the warm and friendly team who take care of you.

YOU CAN FLY DIRECT: Bonville is located just 10 minutes south of Coffs Harbour Airport which boasts direct flights from Sydney, Melbourne, Brisbane and Canberra.

Link airways began flights from the nation's capital in September 2022 so pack your bag and get ready to discover Australia's most incredible golfing experience.

Australian RRP: Play, Stay and Dine from \$370pp.

Ocean Shores Country Club

OCEAN SHORES COUNTRY CLUB

OCEAN Shores Country Club is an incredible destination, with Pacific Ocean views of Byron Bay to the east, Koonyum Ranges to the west.

The golf course was designed in the late 1960s by the team of Bruce Devlin and Robert von Hagge. The championship layout is carved through native flora, tidal lakes and rivers with the Koonyum mountain ranges as a backdrop.

This spectacular golf course captures the picturesque beauty of northern New South Wales. The 18-hole layout comprises six par-3s, six par-4s and six par-5s – with the same par never being played consecutively. This distribution adds to the unique nature of the course.

One of the standout features of the course is the large greens that are protected by extensive bunkering. With a combination of tiffdwarf and tifeagle greens they are some of the purest and quickest putting surfaces you'll play on.

Playing Ocean Shores is easy. If you have a GA handicap, there are numerous competitions played throughout the week or if you're just looking for a social game take advantage of the walking unlimited play rate. For only \$20 after 3pm you can play until dark.

Ocean Shores Country Club is not just a golfing destination; there is also lawn bowls and a swimming pool.

With a newly-renovated clubhouse and spectacular deck that overlooks the Pacific Ocean and Byron Bay Lighthouse, it's a great destination for weddings, conferences and functions with WiFi and AV facilities available. Catering is provided by The Shores Bistro.

The club boasts a fully-stocked pro shop and caters for both your golf and lawn bowls needs. Golf tuition is also available from certified PGA professional Chris Graham.

Chris is the head coach of the North Coast Academy of Sport Golf development squad as well as being a finalist in the 2015, 2016 and 2019 Queensland Club Professional of the Year award. Ocean Shores is definitely a must visit whilst staying on the North Coast.

Nambucca Heads Island Golf Club

NAMBUCCA HEADS ISLAND GOLF CLUB

AUSTRALIA'S most accessible public access island golf course, Nambucca Heads Island Golf Club, is located mid-way between Sydney and Brisbane.

The 18-hole, par-69 layout is surrounded by the pristine waters of the Nambucca River and hosts the "best bent grass greens north of Newcastle".

It is perfectly located for a mid-trip "golfer" on your trip north or south or for any looking for a holiday combination involving great golf and plenty of fishing.

Nambucca Heads offers a variety of levels of accommodation to suit most budgets.

The Island Golf Club offers a test to golfers of all abilities. Whilst flat, the golfer is required to be accurate to hit the winter green couch fairways before striking their second shots close to the pin to avoid a lengthy first putt.

Enjoy a relaxing 18 holes and then sit on the club's deck perched along the banks of the Nambucca enjoying a refreshing beverage. Locals say if you can play to your handicap at the Island you will leave well pleased with yourself.

Accompanying the course is the opportunity to observe passing dolphins heading upriver to feed. The birdlife is also a feature as pelicans, sea eagles and ospreys soar overhead.

The Island Restaurant features 180 degree views of the river and offers a wonderful variety of meals. Come along and try one of our famous "Hot Rock" Steaks on a Thursday night.

The club also offers rooms and green space for weddings, birthdays and anniversary celebrations.

Nambucca Heads Island Golf Club has a pro shop operated by club pro Paul Habgood offering a wide variety of equipment and clothing.
